

New Roots Charter School Student Enrollment Form

New Roots Charter School is offering 65 openings for 9th graders and a limited number of openings for 10th and 11th graders in the 2010-2011 school year. Students will be enrolled on a first-come, first-served basis until all available seats are filled.

New Roots Charter School is designed to support all learners in reaching their potential. English language learners and students with individualized education plans are encouraged to apply.
